### Brief Report on Celebrations on International Women's Day (8<sup>th</sup> March 2022)

#### 1.0 Introduction:

International Women's Day (IWD) is a global holiday celebrated annually on March 8 to commemorate the cultural, political, and socioeconomic achievements of women. It is also a focal point in the women's rights movement, bringing attention to issues such as gender equality, reproductive rights, and violence and abuse against women.

- Theme: UN theme for International Women's Day is "Gender equality today for a sustainable tomorrow", looking to highlight the contribution of women and girls around the globe, who participate in their communities promoting on climate change adaptation, mitigation, and response, in order to build a more sustainable future for all. The celebrations took place on 8<sup>th</sup> March 2022 at Science City, Ahmedabad
