## Brief Report of Celebrations on World Environment Day at Gujarat Science City (5<sup>th</sup> June 2022)

### 1. Introduction:

World Environment Day is on 05 June every year led by the United Nations Environment Programme (UNEP), it is celebrated on June 5 every year to raise awareness about degrading environmental conditions and to encourage people globally to take positive environmental actions, to help create a better future.

Gujarat Science City celebrated World Environment Day by conducting two programs. The first program was Prayavaran Samrashak Milan for the villagers and students of Patdi and Danta. GCSC also collaborated with GUJCOST, GEDA, and the Climate Change department of Gujarat to organize Prayavaran Goshthi, in which a Drawing competition was organized with the theme “Only One Earth”. The Kendriya Vidhyalaya Teacher and IIT Gandhinagar Professors joined the program along with the school and college students.

A day-long celebration of World Environment Day with a take home message of appreciating Saving Earth for today and a sustainable tomorrow
