

**Brief Report on
'Birth Day Celebration of scientist Francis Crick'**

**Gujarat Council of Science City
Department of Science and Technology, Government of
Gujarat**

A bridge connecting society with science!

Celebration of birth anniversary of scientist Francis Crick at Gujarat Science City.

The birth anniversary of renowned scientist Francis Crick was Celebrated at Gujarat Science City. Francis Crick was awarded the Nobel Prize for his contribution to the structure of DNA.

Gujarat Science City celebrated Francis Crick's birthday by organizing an event where students were educated about the structure of DNA through a model. The students were taught that DNA is a vital biological molecule without which life is not possible.

In this context, the students also created replicas of DNA. More than 200 students actively participated in this activity.
