

**Brief Report on
'Zero shadow day'**

**Gujarat Council of Science City
Department of Science and Technology, Government of
Gujarat**

A bridge connecting society with science!

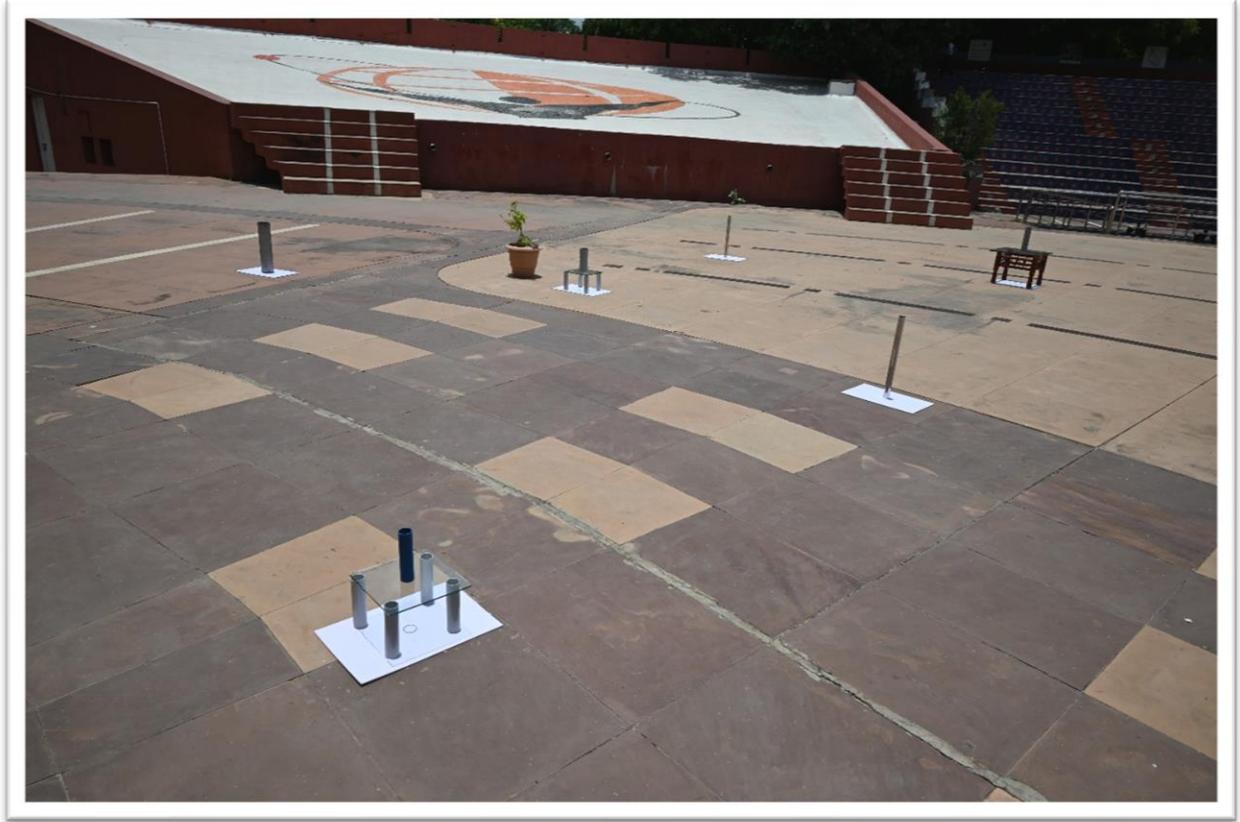

Celebration of Zero shadow day at Gujarat Science City.

'Zero Shadow Day' was celebrated on June 10 at Amphitheatre of Gujarat Science City.

On June 10, at 12 39 pm, the sun came directly overhead. Due to which people saw their shadow disappearing for a few moments. People and students got practical information about this in Gujarat Science City.

Gujarat Science City witnessed the phenomenon of 'Zero Shadow Day'.
