

GUJARAT COUNCIL OF SCIENCE CITY
Dept. of Science & Technology, Govt of Gujarat

**Advertisement for the position of Assistant General Managers in the
Gujarat Council of Science City, Ahmedabad.**

Introduction:

Gujarat Council of Science City (GCSC), working under the aegis of the Department of Science & Technology, Government of Gujarat has been emerged as an effective and large-scale science education and popularisation platform in the state and country.

Spread over an area of 108 hectares of land, Gujarat Science City provides a perfect blend of education and entertainment. It showcases contemporary and imaginative exhibits, minds on experiences, working models, virtual reality, activity corners, labs and live demonstrations to provide an understanding of science and technology to the common man.

Popularization of science to create scientific temper in the community is a priority in the emerging environment of knowledge-driven economic growth. Gujarat Science City is a bold initiative of the Government of Gujarat to realize this priority.

Gujarat Science City is dedicated to the promotion of interest, learning and creativity in science and technology through imaginative and enjoyable experiences, and to contribute to the nation's development of its human resource.

GCSC is now inviting applications from the interested and dynamic persons having strong inclination towards science, technology and innovation to work as Assistant General Manager(s) to handle various important portfolios for the smooth operation and maintenance of the Gujarat Science City.

1. Assistant General Manager (Physical Sciences – Science Popularization) – 01 Post

Eligibility Criteria:

- Ph.D. Degree in Physical Science from any of the universities established or incorporated by or under the Central or State or a Provincial Act in India or any other Educational Institute recognized as such or declared to be deemed as a University under Section 3 of the University Grants Commission (UGC) Act, 1956.
- The candidate should have minimum 05 years of total experience post Ph.D. on the last day of application
- Upper age should not be more than 45 years on the last day of application.

Job Profile:

The Assistant General Manager (Physical Sciences – Science Popularization) will work on close coordination with the General Managers and Science Curators, and will be responsible for smooth administration, business development, market communication, visitor's engagement and experience and facility management in the Gujarat Science City.

The candidate should provide the leadership, technical and administrative guidance to the

department staff by setting the communicating standards, assigning and reviewing the work, and monitoring the progress. The candidate has to effectively plan and coordinate the operations with other areas including developing the work plans to meet program objectives and administer program operations on a timely basis. Deal with priorities, tight time pressures and unexpected changes in deadlines.

The Assistant General Manager in Physical Sciences will look after the basic science and engineering galleries and outreach programmes in terms of the content creation and possible collaboration with internal and external stakeholder for impactful implementation. S/he should be a good team player and proactive person in achieving the broader aims and objectives of Gujarat Science City.
