

**GUJARAT COUNCIL OF SCIENCE CITY**  
**Dept. of Science & Technology, Govt of Gujarat**

**Advertisement for the position of General Managers in the  
Gujarat Council of Science City, Ahmedabad.**

**Introduction:**

Gujarat Council of Science City (GCSC), working under the aegis of the Department of Science & Technology, Government of Gujarat has been emerged as an effective and large-scale science education and popularisation platform in the state and country.

Spread over an area of 108 hectares of land, Gujarat Science City provides a perfect blend of education and entertainment. It showcases contemporary and imaginative exhibits, minds on experiences, working models, virtual reality, activity corners, labs and live demonstrations to provide an understanding of science and technology to the common man.

Popularization of science to create scientific temper in the community is a priority in the emerging environment of knowledge-driven economic growth. Gujarat Science City is a bold initiative of the Government of Gujarat to realize this priority.

Gujarat Science City is dedicated to the promotion of interest, learning and creativity in science and technology through imaginative and enjoyable experiences, and to contribute to the nation's development of its human resource.

GCSC is now inviting applications from the interested and dynamic persons having strong inclination towards science, technology and innovation to work as General Manager(s) to handle various important portfolios for the smooth operation and maintenance of the Gujarat Science City.

**1. General Manager (Administration) - 01**

**Post Eligibility Criteria:**

- MBA with graduation in any of the science fields/Technology background from any of the universities established or incorporated by or under the Central or State or a Provincial Act in India or any other Educational Institute recognized as such or declared to be deemed as a University under Section 3 of the University Grants Commission (UGC) Act, 1956.
- The candidate should have a minimum of 15 years of total experience in respective fields.
- Upper age should not be more than 50 years as on the last day of application.

**Job Profile:**

The General Manager (Administration) will be over all responsible for the administration, HR, business development, market communication, land and legal aspects of the Gujarat Science City. The candidate shall be responsible for the smooth administration and

operation in Science City. He/she shall also be responsible for discharging his/her duties as nodal officer for grievance redressal. He/she shall also look after all legal matters including land dispute and obtain statutory clearances from the concerned authorities. Any other responsibilities assigned by authority pertaining to administration matters shall also be overseen by the candidate.

The candidate should provide leadership and technical guidance to department staff by setting and communicating standards, assigning and reviewing work, and monitoring progress. The candidate has to effectively plan and coordinate operations with other areas including developing work plans to meet program objectives and administer program operations on a timely basis. Deal with priorities, tight time pressures and unexpected changes in deadlines.
