WORLD'S BIGGEST & BEST SCIENCE PARK

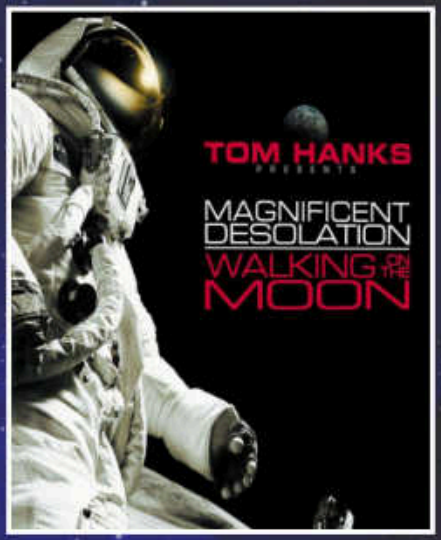

GUJARAT SCIENCE CITY

Connecting Community with Science !

IMAX 3D

IMAX 3D Theater with World-class 3D effect is most powerful immersive experience ever imagined.

AQUATIC GALLERY

The Aquatic Gallery at Science City is one of India's Largest aquariums showcasing aquatic species from around the world. There are a total of 68 tanks with several different species, including predators like sharks. The gallery features 10 different marine areas including Indian Zone, Asian Zone, African Zone, Oceans of the World Zone and many more.

- **188 Species**
- **5D Theater**
- **Aquatic species from around the world**
- **More than 11,600 fishses**
- **28m-long Shark Tunnel**
- **African Penguins**

ASTRONOMY & SPACE SCIENCE GALLERY

Astronomy & Space Science Gallery is one of the largest gallery in India with the built up area of 12,797 Sq. Mtrs. The building is imagined as the abstract model of the Solar System. The main attraction is 172 seater hybrid Planetarium and Observatory with 24 inch telescope for sky observation along with more than 150 exhibits and Infographics.

ROBOTICS GALLERY

The advanced Robotics Gallery is built over an area of 11,000 square meters. Here Robots from different fields are placed on different floors and demonstrate applications in domains such as medicine, agriculture, space, defense, and use in everyday life. You can also relish food prepared by Robo Chefs and served by Robo waiters at the Robo Cafe. The gallery also has a reception humanoid robot that communicates with visitors and expresses many emotions such as joy, surprise and excitement.

- **79 types of Robots**
- **202 Robots**
- **VR/AR Gallery**
- **Robo Cafe**
- **Humanoid Robots**

MULTIMEDIA LASER AND FOUNTAIN SHOW

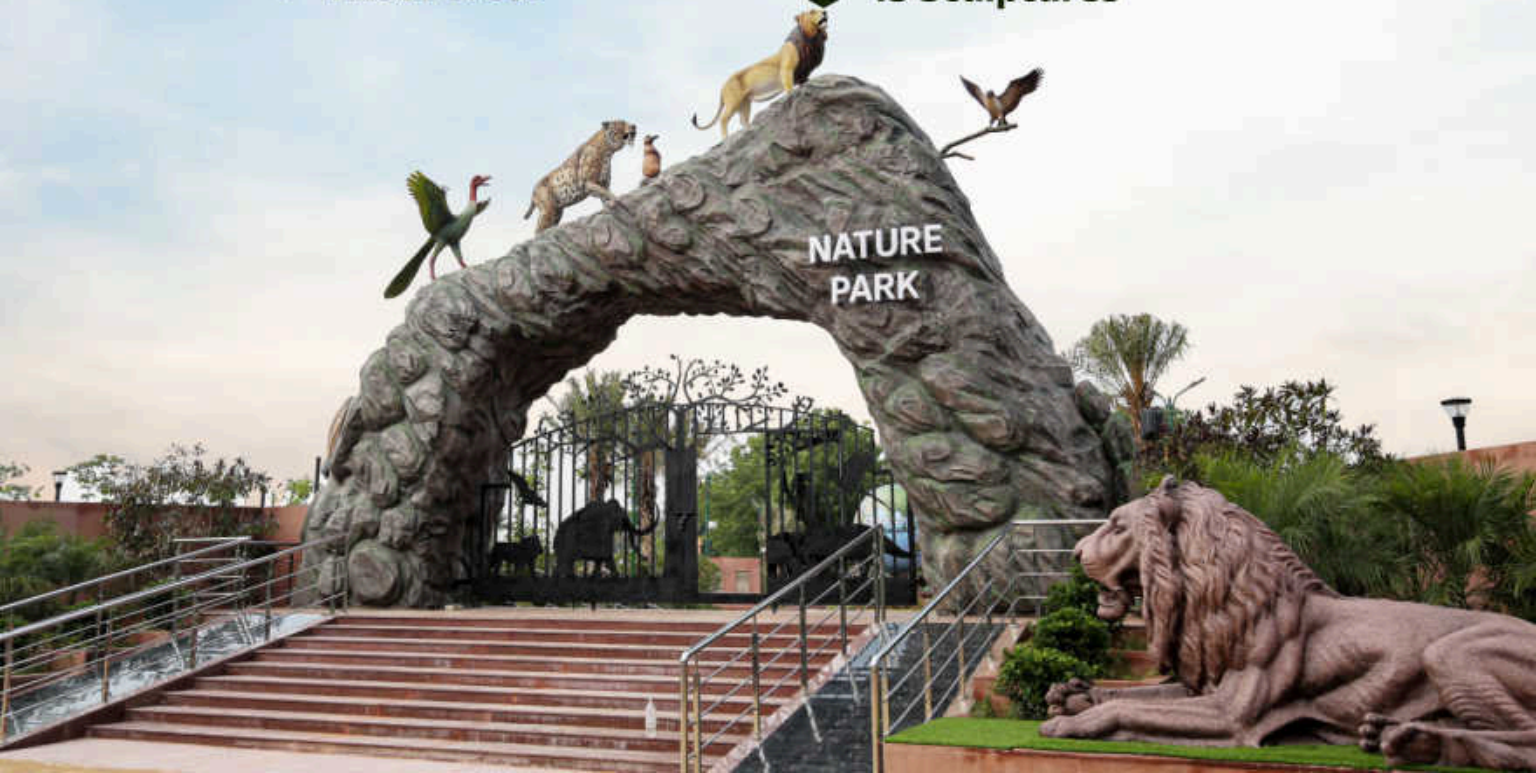

The Musical Fountain at Science City, Ahmadabad, contains a water screen measuring 36 X 16 meters, along with 2 other screens measuring 16 X 9 meters, which together create an immersive experience across 3 screens of 70 meters in 3D projection.

NATURE PARK

Nature Park is a large park spread over an area of 20 acres. The Nature Park includes picturesque vistas enriched with diverse plants and trees. It also features an open gym and a play area specially designed for children. The park also contains various sculptures of extinct animals such as Mammoth, Terror Bird, Saber Tooth Lion replete with scientific information.

- **Walking & Jogging Track**
- **Butterfly Garden**
- **Mist Forest**
- **Open Gym**
- **Chess & Yoga Garden**
- **15 Sculptures**

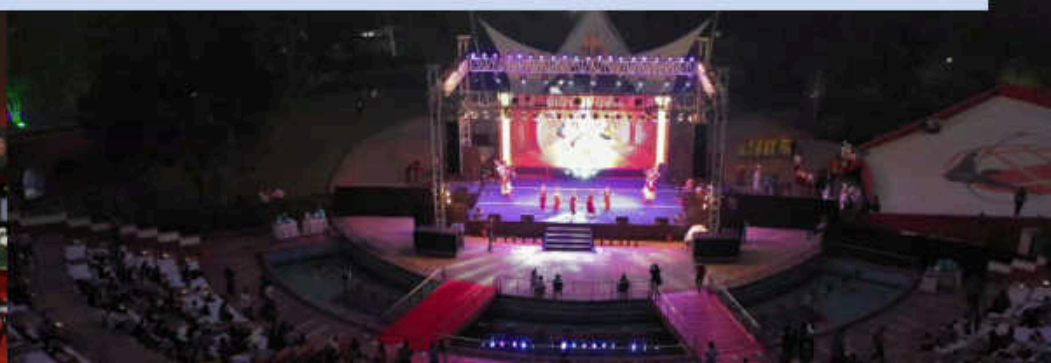

AMPHITHEATRE

The AMPHITHEATRE (Open Air Theatre) at Gujarat Science City has a capacity of 1200 seats for organizing programs like science drama, science magic shows and other entertainment programs. With little imagination, students and community members can create an environment where the facts and figures of science combine with the excitement, emotion and energy of the theatre.

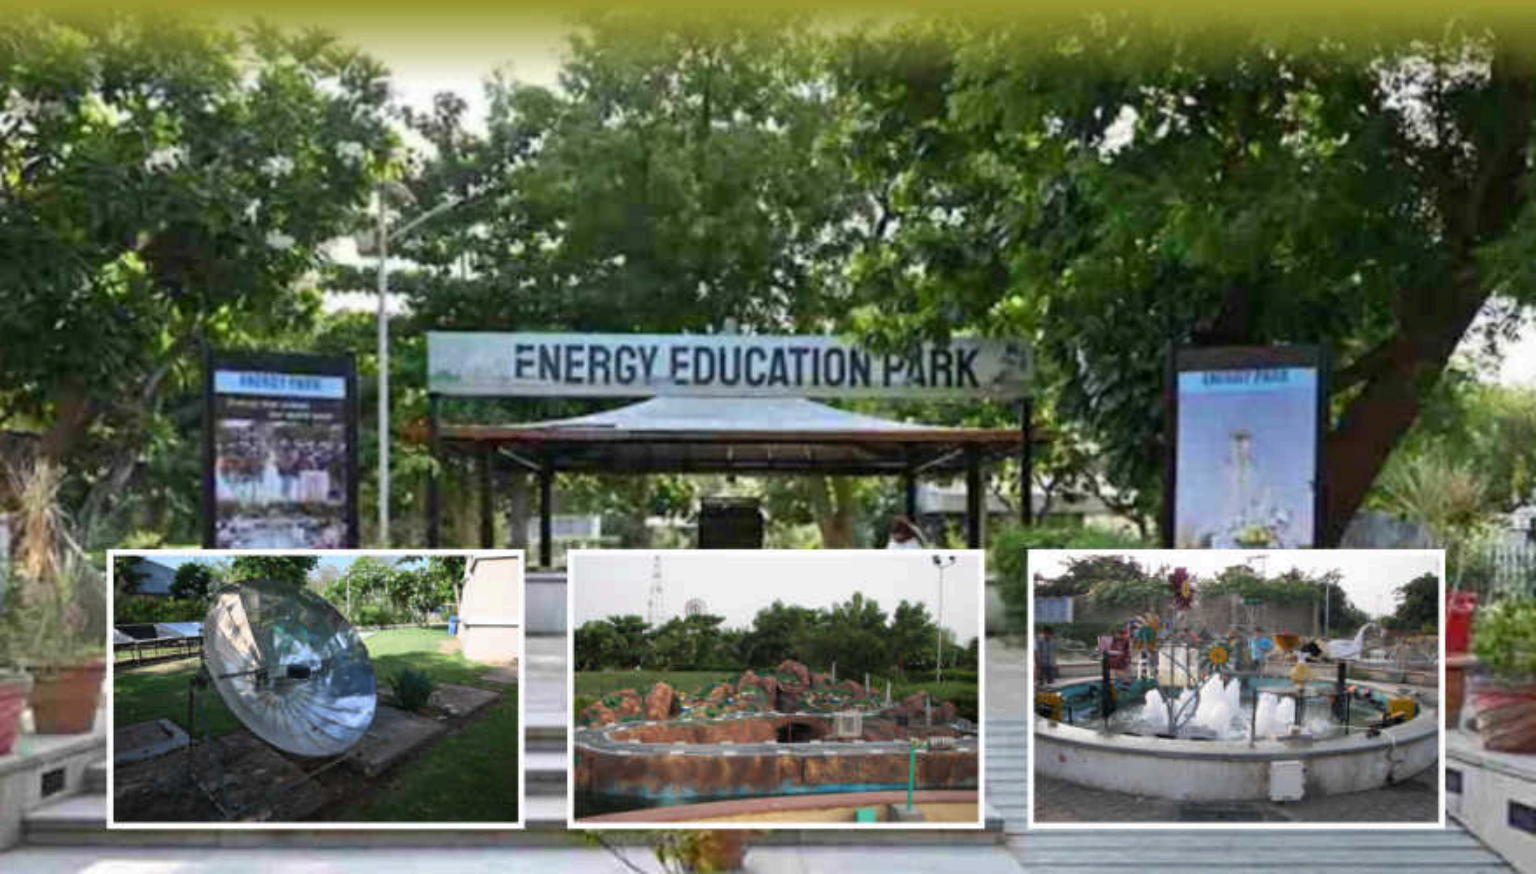

ENERGY EDUCATION PARK

The aim of Energy Education Park is to spread the message of conservation of energy and depleting natural resources.

The exhibits at Energy Park are classified according to the five basic elements (Panchbhuta) proposed by ancient Indian philosophy.

These elements are (I) Tej (Energy from the Sun) (ii) Marut (Energy from the Wind) (iii) Ap (Energy from the Water) (iv) Kshiti (Energy from the Earth) (v) Byom (Exploration of space).

VIGYAN BHAVAN

The Vigyan Bhavan in Science City a fully Air-conditioned PEB building equipped with LED Screen and large stage is a perfect venue for large scale science events, conferences , programs etc. with audience capacity of approx. 5000 seatings.

NOBEL DOME

Nobel dome is an ideal platform for organizing traveling scientific exhibition as well as scientific workshops such as robotics, artificial Intelligence, drone making, telescope making, IOT, fun physics etc. for school and college students.

An air-conditioned PEB building having a capacity of 500 seating approx.

HALL OF SCIENCE

Hall of Science is a big open laboratory, where visitors are involved in hands-on exhibits and learn science though a discovery process. They move though different enclaves on light, vision, mirrors, kinematics, mathematics, sound, Energy and put their hands-on interactive exhibits.

HALL OF SPACE

Hall of Space is a minds on exhibition capturing the imagination of visitors along with a simulated journey through solar system in a Mission to Mars simulator ride.

CHILDREN ACTIVITY CENTER

The Children Activity Center is an ideal venue for specially curated hands-on activities including human body system, chemical reactions, physics experiments and demonstrations to ignite curiosity of child about science.

THRILLRIDER

Thrill Ride is a 30 seater simulator ride providing the experience of riding a rollar coaster, flying in an aerobatic aircraft, dino safari, into the pyramid triangle and many more.

LIFE SCIENCE PARK

The major attraction of Life Science Park include river system, evolution of life, butterfly park, cactus and succulent corner, aviary and Non-flying bird center, aromatic, medicinal and ornamental plants along with Tissue Culture Lab.

PLANET EARTH

Planet Earth highlights the exquisite beauty & abundant truths of our planet earth and also brings awareness and educates visitors about various types of natural disasters like earthquake, volcano, landslides etc. The pavilion also provides vital information about evolution of life, human anatomy, agriculture, rocks and minerals, biodiversity, energy reserves, underground coal mine, 4D theatre and many more

ROUTE 1

- 1 HALL OF SPACE & SCIENCE
- 2 THRILL RIDE
- 3 LIFE SCIENCE PARK
- 4 ENERGY EDUCATION PARK
- 5 PLANET EARTH
- 6 ROBOTICS GALLERY
- 7 AQUATIC GALLERY
- 8 NATURE PARK
- 9 MUSICAL FOUNTAIN

ROUTE 2

- 8 NATURE PARK
- 5 PLANET EARTH
- 6 ROBOTICS GALLERY
- 7 AQUATIC GALLERY
- 1 HALL OF SPACE & SCIENCE
- 2 THRILL RIDE
- 3 LIFE SCIENCE PARK
- 4 ENERGY EDUCATION PARK
- 9 MUSICAL FOUNTAIN

ROUTE 3

- 7 AQUATIC GALLERY
- 6 ROBOTICS GALLERY
- 5 PLANET EARTH
- 3 LIFE SCIENCE PARK
- 4 ENERGY EDUCATION PARK
- 8 NATURE PARK
- 1 HALL OF SPACE & SCIENCE
- 2 THRILL RIDE
- 9 MUSICAL FOUNTAIN
